

## 333 Westridge Dr, Ord, NE

**\$234,000**

Active for Sale

The Westridge House, built in 1972, has been thoughtfully updated with a clean, modern look and is truly move-in ready. From ceilings to floors, every surface has been refreshed-this home is dressed in its Sunday best. Located in a quiet, family-friendly neighborhood with low traffic, it also features a lawn watering system for added convenience. Natural light fills the main living space, with morning sun from the east and evening light from the west, creating a bright and uplifting atmosphere throughout the day. The home has seen several important updates, including added attic insulation, the removal of popcorn ceilings in favor of lightly textured and freshly painted finishes, updated lighting, outlets, and switches, and a fully renovated bathroom. The bathroom now features Onyx countertops, mirrors and cabinetry, tile flooring, and modern black accents that beautifully complement the fresh Shoji White paint from Sherwin-Williams and the home's blond woodwork. Two bedrooms have been updated with carpet. Appliances have been well cared for and include a new dishwasher, while the stove, washer and dryer, water softener, and lawn watering system controller have all been used for less than a year. The basement offers excellent potential as an efficiency apartment, providing an opportunity for rental income or flexible living space.
