1 1/2 story, 3,144 sq. ft. remodeled home with 3-car garage! - 3 Bed | 2.5 Bath | 3,144 sq.ft This 1 1/2 - story, 3,144 sq. ft. remodeled home with basement and 3-car garage offers an array of updates that are sure to impress. The open-concept living, dining, and kitchen areas welcome you with high ceilings, recessed lighting, and beautiful light fixtures. The large windows flood the space with natural light, while the cove ceilings and recessed fireplace in the living room add warmth to the space. The kitchen is a chef's dream, featuring dark wood cabinetry, new appliances, granite countertops, a central island, and easy access to the backyard. It's an ideal space for cooking and gathering with friends and family. Just off the dining room, you'll find a hallway with a storage closet, leading to the main bathroom and master bedroom complete with a walk-in closet that doubles as the laundry area. The main bathroom boasts an oversized tub, an onyx shower, and large vanity with onyx countertops. The master bedroom is a peaceful retreat, with a stylish barn door opening to the master bath, which includes another onyx shower. Off the living room, a den/sitting area features a stunning wooden staircase with decorative metal spindles that leads to the upper level. Upstairs, you'll find two spacious bedrooms, two cozy family rooms, and a half bath. Additionally, you will find a door to the staircase leading to the basement and a door to the 3-car attached garage off the kitchen. Outside, this home sits on a large corner lot with an established lawn and mature trees. A concrete driveway leads to the 3-car attached garage, offering both convenience and plenty of parking space. Step onto the covered front porch, which features Trex decking and sleek metal handrails, creating a perfect spot to relax and enjoy the outdoors. This home has undergone a full exterior remodel and the main floor has been updated from the studs up, with enhancements extending to the upper level. Don't miss this exceptional opportunity!
